
LIBYA OIL AND PETROCHEMICAL PLANT

Project realized by SAE Spa

LOCATION

LIBYA

CLIENT

MONTUBI SPA

DESIGNER

MONTUBI SPA

WORKS DURATION

24 MONTHS

SECTOR

INDUSTRIAL

The Work has been carried out in a secret location in Libya, in the middle of the desert, at about 400 km far from the Mediterranean shores.

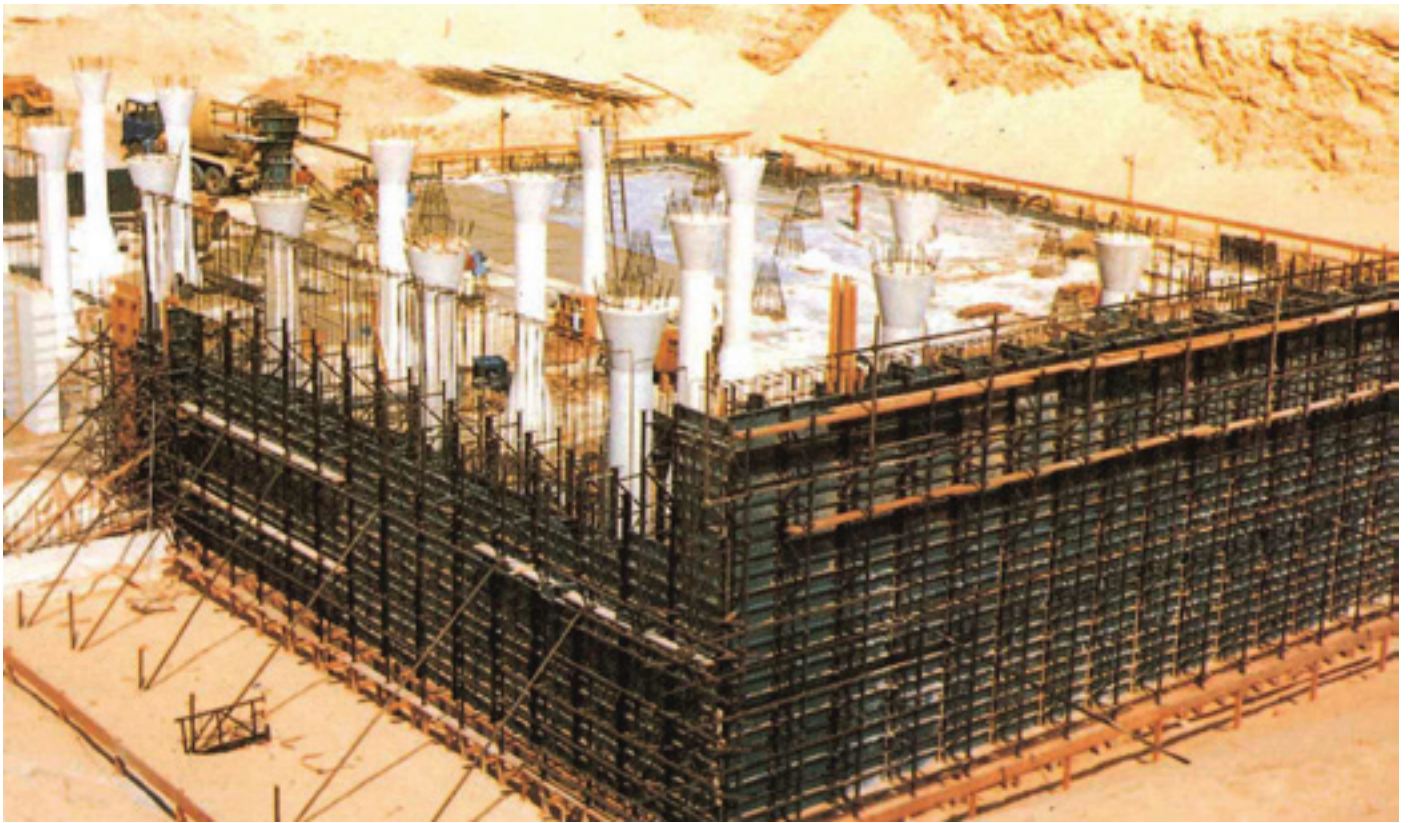

The poor photographic documentation is due by the impossibility to perform a complete photo-shoot for secrecy constraints imposed by the buyers.

WORKS EXECUTED

Civil works for oil and petrochemical plants; irrigation systems.

Excavations and fillings: 480.000 cubic meters

Reinforced concretes: 35.000 cubic meters

Project realized by SAE Spa
